

Palm trees planted at event center

PROVIDED BY BILL WELSCH
TEAM COMMUNICATIONS

TTEAM Punta Gorda is partnering with Charlotte County to help beautify the grounds surrounding the Charlotte Harbor Event and Conference Center in Punta Gorda.

TEAM's beautification

committee chairperson Suzanne McCormick and David Milligan, the director of Charlotte County's facilities construction and maintenance department and registered landscape architect, recently announced that TEAM has purchased and planted six royal palms, which are visible from U.S. 41 as drivers

enter Punta Gorda. Charlotte County has covered the costs associated with irrigating the trees.

TEAM's beautification efforts are funded largely by donations from people purchasing decorative pavers, which can be seen in various locations including Herald Court and the interactive

fountain at Laishley Park. The pavers are inscribed in a manner directed by the donor and can be purchased directly from TEAM's website, www.teampuntagorda.org/paver.html.

For more information, call 941-637-8326 or send an email to TEAM@teampuntagorda.org.
