Volunteers from TEAM Punta Gorda recently presented Citizens Master Plan award plaques to this year's recipients - the Four Points by Sheraton Punta Gorda Harborside, Gulf Breeze Apartments, Herald Court Centre and the Wyvern hotel. In presenting the awards, TEAM Punta Gorda volunteer Tom Marciniak explained the honor is bestowed on projects that exhibit excellence in architecture, landscape or site design consistent with the Citizens Master Plan 2005. The Master Plan was developed following the devastation of Hurricane Charley to provide a vision for the revitalization of Punta Gorda and the surrounding areas. Past Citizens Master Plan award winners include Dean's South of the Border, Isles Yacht Club, Laisley Park Marina, Old Town, Sunloft, Swiss Connections, St. Mary's Baptist Church, Thomas Ryan Realty and Trabue Woods Estate.
